Milling and Paving of Slaughter Rd. (north of Farrow Rd. to north of Roy Dr.)

Madison, AL – Weather permitting, crews will be milling and paving Slaughter Road from north of Farrow Road to north of Roy Drive beginning Monday, March 31st. Construction is anticipated to last approximately two (2) weeks.

Please plan accordingly, using caution in this area and expect traffic delays and intermittent lane closures.

This is a joint project between Madison County, City of Huntsville and City of Madison. The speed limit during construction will be 25 mph in all jurisdictions.

If you have any questions or comments, you may contact the City of Madison Engineering Department at 256-772-8431 or by email at jenny.spain@madisonal.gov
